Justrite Safety Group

231 - PRELUDE™

PRODUCT INFORMATION BROCHURE

Justrite Safety Group

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

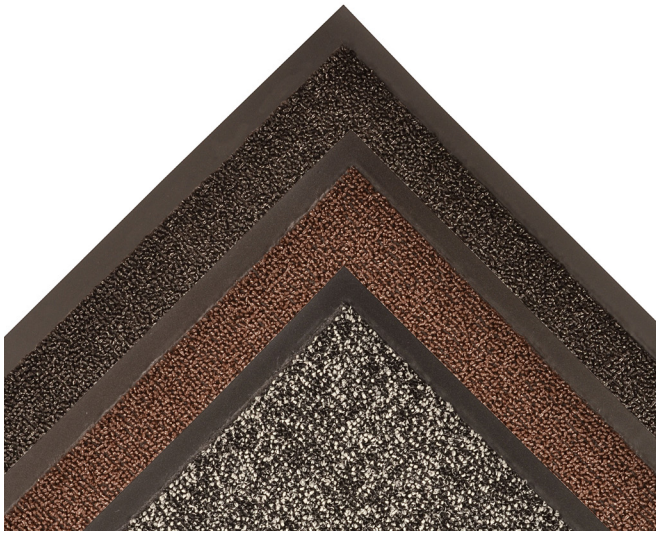
- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

231 - PRELUDE™ is a scraper mat made up of a coarse loop-twisted non-absorbent fiber that can be placed outside the entrance to begin the removal of dirt and debris from foot traffic. These aggressive fibers resist crushing while entrapping debris and preventing it from entering the facility. This mat can be used as a stand-alone mat, or as the first stage of the coordinated "Stages" entrance matting system. A heavy weight vinyl non-slip backing ensures minimum movement.

Material: Grass yarn Carpet W/Vinyl Backing

Features and Benefits:

- Scraper mat
- Coarse loop-twisted non-absorbent fiber to scrape and retain debris from foot traffic
- Aggressive fibers resist crushing while entrapping debris and preventing it from entering the facility
- Low profile to perform in narrow clearance doorways
- Vinyl backing ensures minimal buckling and mat movement
- Can be used as the first section (Scraping) of the "Stages" entrance matting system
- Recommended product as a part of the GreenTRAX™ program for "Green Cleaning" environments (when used as part of the "Stages" system)



MODEL: 231

APPLICATIONS

- Schools
- Hospital Entrances
- Lobbies
- Entranceways

SPECIFICATIONS

Stock Sizes	2'x3', 3'x4', 3'x5', 3'x6', 3'x10', 4'x6', 4'x8'
Roll Sizes	3'x60', 4'x60', 6'x60'
Thickness	3/8"
Cut Lengths	3', 4', and 6' widths (up to 60' long)
Colors	Black, Brown, Grey
