Technical Specifications

Performance

Description:
The ceiling backbox is perfect for adding sensors or making splices to the GLED™ family of products. Surface mounts over any shape box and covers unsightly stains or gaps. Five (1/2") conduit entries enable wiring directly from the back or through the sides using surface conduit.

Compliance

UL Listed:
Suitable for wet locations. Covered Ceiling Mount Only. When used with RAB GLED fixtures.

Trade Agreements Act Compliant:
This product is a product of Cambodia and a "designated country" end product that complies with the Trade Agreements Act

Construction

Housing:
Precision die-cast aluminum

Plugs:
Die cast aluminum with clean threads and gasket for weatherproof seal

Gaskets:
High-temperature silicone

Finish:
Formulated for high durability and long-lasting color

Installation

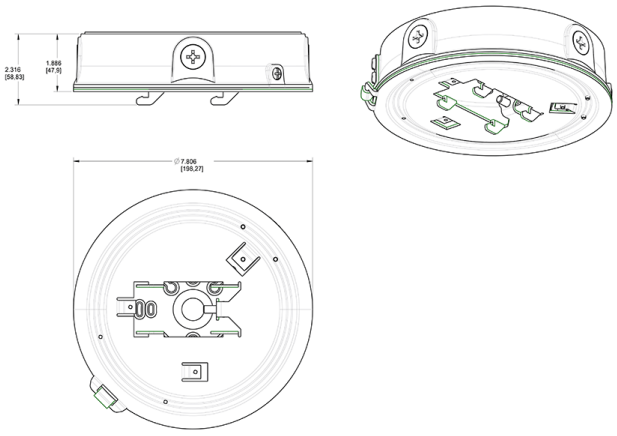

Mounting:
Attaches securely to GLED with tool-less slide lock mechanism. Surface mounts on ceiling.

Electrical

Wiring:
Five holes. One on the back of the box, four on the sides for using surface conduit.
