PomPoms #APMPM - 28 individual

PomPoms float on the water's surface to absorb oily spills and even surface sheen.

- Heavy oils adhere to the PomPoms, while water is repelled, so they won’t become weighed down and capacity won't be wasted; can leave them in place longer for maximum effectiveness
- Thousands of thin strands of polypropylene are joined together to create this high surface area sorbent
- Individually packed to let you configure PomPoms to best suit your application
- Note: Actual color may vary.

APMPM Specifications

Dimensions:	6" W x 18" H
Shipping Dimensions:	23" W x 25" L x 17" H
