Regular or STAB-IT® boxes

These popular boxes are available with our unique connectors built into the box. Terminate MC cable in one-third the time of other clamps. Models are available with connectors for two or four cables. Available mounting brackets and cable management offer the first means of support.

- 2-cable STAB-IT connectors install 3 times faster than traditional connectors
- Designed for quick installation of flex, MC, MCI, MCI-A, MC-PCS, AC, and HCF cable
- HBL232MSCM & HBL232MS include far-side support on back
- Includes ground wires, box mounting brackets and cable clamps
- Easier installation for labor savings

Boxes

Boxes are 4" square, 2-1/8" deep. They are constructed with welded steel and have raised grounds. The boxes have 30.3 cu.in. capacity.
